AK H 49	Carbon Offset Program On State Land	House Rules Committee	Authorizes the Department of Natural Resources to lease land for carbon management purposes; establishes a carbon offset program for state land; authorizes the sale of carbon offset credits.	1st Fiscal Committee	House Finance Committee	ClimateChange: Carbon;
AK H 50	Carbon Storage	House Rules Committee	Relates to the geologic storage of carbon dioxide.	1st Fiscal Committee	House Finance Committee	ClimateChange: Carbon;
AK S 48	Carbon Offset Program on State Land	Senate Rules Committee	Authorizes the Department of Natural Resources to lease land for carbon management purposes; establishes a carbon offset program for state land; authorizes the sale of carbon offset credits.	1st Fiscal Committee	Senate Resources Committee	ClimateChange: Carbon;
AK S 49	Carbon Storage	Senate Rules Committee	Relates to the geologic storage of carbon dioxide.	1st Fiscal Committee	Senate Resources Committee	ClimateChange: Carbon;
AZ H 2279	Greenhouse Gas Programs and Repeal Prohibition	Cano (D)	Relates to greenhouse gas programs; relates to repeal prohibition.	1st Committee	House Natural Resources, Energy and Water Committee	ClimateChange: GreenhouseGas;
AZ S 1150	Supervisors and Powers and Duties	Kavanagh (R)	Relates to supervisors; relates to Powers; relates to duties; relates to animal wellness.	1st Committee	Senate Government Committee	ClimateChange: Carbon;
AZ S 1445	Charging Station and Pilot Program	Sundareshan (D)	Relates to charging station; relates to pilot program.	1st Committee	Senate Transportation and Technology Committee	ClimateChange: GreenhouseGas;
AZ S 1502	Corporation Commission and Electric Generation Resource	Carroll (R)	Relates to corporation commission; relates to electric generation resources.	Failed	Senate Third Reading	ClimateChange: GreenhouseGas;
AZ S 1509	State Climate Resiliency Planning Group	Mendez (D)	Relates to State climate resiliency planning group.	1st Committee	Senate Natural Resources, Energy and Water Committee	ClimateChange: GreenhouseGas;
AZ S 1537	Greenhouse Gas Programs and Repeal Prohibition	Sundareshan (D)	Relates to greenhouse gas programs; relates to repeal prohibition.	1st Committee	Senate Natural Resources, Energy and Water Committee	ClimateChange: GreenhouseGas;
AZ SCM 1002	Energy Rules and Urging Adoption	Sundareshan (D)	Relates to energy rules; relates to urging adoption.	1st Committee	Senate Natural Resources, Energy and Water Committee	ClimateChange: GreenhouseGas;

CA A 225	Real Property: Environmental Hazards Booklet	Grayson (D)	Expresses the intent of the Legislature that when the booklet developed by the Department of Real Estate concerning common environmental hazards is next updated, as existing resources permit or as private resources are made available, it be updated to include 3 new sections on wildfires, climate change, and sea level rise. Requires the State Department of Public Health to seek the advice and assistance of departments within the Natural Resources Agency in the writing of the booklet.	1st Fiscal Committee	Assembly Appropriations Committee	ClimateChange; ClimateChange;
CA A 285	Pupil Instruction: Science Requirements: Climate Change	Rivas (D)	Requires with respect to the adopted course of study for grades 1 to 6, inclusive, and the adopted course of study for grades 7 to 12, inclusive, the science area of study to include an emphasis on the causes and effects of climate change and methods to mitigate and adapt to climate change. Requires that appropriate coursework including this material be offered to pupils as soon as possible, commencing no later than the 2024-25 school year.	1st Fiscal Committee	Assembly Appropriations Committee	ClimateChange; ClimateChange;
CA A 287	California Global Warming Solutions Act of 2006	Garcia E (D)	Requires state agencies administering competitive grant programs that allocate moneys from the Greenhouse Gas Reduction Fund to give specified communities preferential points during grant application scoring for programs intended to improve air quality, to provide for a specified application timeline, and to allow applicants from the Counties of Imperial and San Diego to include daytime population numbers in grant applications.	1st Fiscal Committee	Assembly Appropriations Committee	ClimateChange; GreenhouseGas;
CA A 397	California Global Warming Solutions Act of 2006	Essayli (R)	Requires the State Air Resources Board to include greenhouse gas emissions from wildlands and forest fires in the scoping plan for achieving reductions in greenhouse gas emissions.		Assembly Natural Resources Committee	ClimateChange; ClimateChange; ClimateChange; GreenhouseGas;

CA A 585	California Global Warming Solutions Act of 2006	Rivas R (D)	Requests the California Council on Science and Technology, in its discretion, every two years, to perform a literature review, including source materials, to assess the infrastructure project types, scale, and pace necessary to achieve the quantities of renewable energy, and the distribution and transmission networks necessary, to achieve the state's energy, climate change, and air quality goals, as specified.	1st Fiscal Committee	Assembly Appropriations Committee	ClimateChange; ClimateChange;
CA A 593	Carbon Emission Reduction Strategy: Building Sector	Haney (D)	Requires the State Energy Resources Conservation and Development Commission to identify an emission reduction strategy, with milestones, for the building sector to support achieving certain carbon emissions reduction goals. Requires the commission to implement the emission reduction strategy as a part of the Equitable Building Decarbonization Program and to take certain actions for purposes of implementing the strategy.	1st Fiscal Committee	Assembly Appropriations Committee	ClimateChange; GreenhouseGas;
CA A 1401	Low Carbon Fuel Standard Regulations	Garcia E (D)	Requires the State Air Resources Board, in administering the Low Carbon Fuel Standard, to deem a Tier 2 pathway application certified under specified circumstances. Requires the State Board to authorize the sale, offer for sale, or supply of alternative diesel fuel for use in the State that contains up to a specified percent biodiesel by volume.	1st Committee	Assembly Transportation Committee	ClimateChange; ClimateChange; ClimateChange; GreenhouseGas;
CA S 84	Clean Transportation Program: Air Quality Improvement	Gonzalez (D)	Expands the purpose of the Clean Transportation Program to include developing and deploying innovative technologies that transform the State's fuel and vehicle types to help reduce criteria air pollutants and air toxics. Provides that this bill no longer requires the State Energy Resources Conservation and Development Commission to provide certain project preferences.	Passed 1st Committee	Senate Environmental Quality Committee	ClimateChange; ClimateChange;

CA S 233	Electric Vehicles and Electric Vehicle Supply Equipment	Skinner (D)	Requires the Energy Commission, in consultation with the Public Utilities Commission and the State Air Resources Board, to solicit a third party to organize and hold quarterly interoperability testing events where companies can come together to share products and information and test the interoperability of electric vehicles, electric vehicle supply equipment, and emerging vehicle-to-everything technology.	1st Committee	Senate Energy, Utilities and Communications Committee	ClimateChange; ClimateChange;
CA S 261	Greenhouse Gases: Climate-Related Financial Risk	Stern (D)	Requires the State Air Resources Board to contract with a climate reporting organization to annually prepare a public report that contains specified information, including a review of the disclosure of climate-related financial risk contained in climate-related financial risk reports and an analysis of the systemic and sector wide climate-related financial risks facing the State. Authorizes the Attorney General to bring a civil action against a covered entity for civil penalties.	Passed 1st Committee	Senate Judiciary Committee	ClimateChange; ClimateChange;
CA S 308	Carbon Dioxide Removal Market Development Act	Becker (D)	Requires the State Air Resources Board to prepare and approve a scoping plan for achieving the maximum technologically feasible and cost-effective reductions in greenhouse gas emissions and to update the scoping plan at least once every specified number of years. Enacts the Carbon Dioxide Removal Market Development Act.	1st Committee	Senate Environmental Quality Committee	ClimateChange: Carbon; ClimateChange: ClimateChange;
CA S 422	California Environmental Quality Act	Portantino (D)	Requires specified public agencies, at the time of adoption of a rule or regulation requiring the reduction in emissions of greenhouse gases, criteria air pollutants, or toxic air contaminants, to perform an environmental analysis of the reasonably foreseeable methods of compliance with the California Environmental Quality Act.	1st Committee	Senate Environmental Quality Committee	ClimateChange: GreenhouseGas;
CA SCR 21	Clean Energy: Hydrogen	Archuleta (D)	Urges the Alliance for Renewable Clean Hydrogen Energy Systems to prioritize renewable, clean hydrogen for the State.	Passed 1st Committee	Senate Third Reading File	ClimateChange: ClimateChange;

CO H 1080	Reliable Alternative Energy Sources	Winter T (R)	Concerns alternative energy sources; requires a feasibility study for the use of small modular nuclear reactors as a source of carbon-free energy and specifying the maximum nameplate capacity of a generation unit for pumped hydroelectricity that qualifies as recycled energy under the renewable energy standard.		Postponed Indefinitely	ClimateChange: Carbon;
CO H 1161	Environmental Standards for Appliances	Kipp (D)	Concerns with environmental standards for certain products.	Passed 1st Fiscal Committee	HOUSE	ClimateChange: Carbon;
CO H 1163	Carbon Dioxide Status as a Pollutant	DeGraaf (R)	Concerns a prohibition against classifying carbon dioxide as a pollutant.		Postponed Indefinitely	ClimateChange: Carbon;
CO S 16	Greenhouse Gas Emission Reduction Measures	Hansen (D)	Concerns measures to promote reductions in greenhouse gas emissions in Colorado.	Passed 1st Fiscal Committee	SENATE	ClimateChange: GreenhouseGas;
CO S 198	Clean Energy Plans	Winter (D)	Concerns the verification of clean energy plans to ensure that the plans achieve the state's greenhouse gas emission reduction targets.	1st Fiscal Committee	Senate Appropriations Committee	ClimateChange: ClimateChange; ClimateChange: GreenhouseGas;
CT H 5063	Next Generation Science Standards	Piscopo (R)	Concerns revisions to the next generation science standards and the climate change curriculum taught to students; amends the portion of the Next Generation Science Standards as it relates to the climate change curriculum requirement.	Failed	Died	ClimateChange: ClimateChange;
CT H 5271	Teaching of Climate Change Instruction in Schools	Candelaria (D)	Concerns the teaching of climate change instruction in public schools; helps close the opportunity gap, further environmental justice and protect the environment by educating all children in grades three to twelve, inclusive, about the role humans have played in accelerating climate change, and equipping all students with the tools necessary to be part of a green economy.	Failed	Died	ClimateChange: ClimateChange;
CT H 5564	Climate Future	Chafee (D)	Concerns Connecticut's climate future; ensures an environmentally sustainable and economically prosperous future for State by reducing greenhouse gas emissions.	Failed	Died	ClimateChange: ClimateChange;

CT H 5590	Climate Change Mitigation	Elliott (D)	Concerns climate change mitigation; expands Connecticut's zero-carbon electricity supply goal to apply to all electricity in the state.	Failed	Died	ClimateChange; ClimateChange;
CT H 6057	Climate Change Mitigation	Kavros DeGraw (D)	Concerns climate change mitigation; requires electricity generated in the state to be one hundred percent zero emission by 2040.	Failed	Died	ClimateChange; ClimateChange;
CT H 6354	Green Jobs Corps Program	Johnson (D)	Establishes a green job corps program to outline a talent development strategy, help communities respond to climate change and reduce carbon emissions.	Passed 1st Committee	HOUSE	ClimateChange; ClimateChange;
CT H 6397	Zero Carbon Emissions	Palm (D)	Concerns zero carbon emissions; creates accountability for reaching the State's carbon reduction goals; declares a climate emergency to increase access to federal funds and demonstrate the urgency for enacting meaningful climate legislation.	Passed 1st Committee	Joint Committee on Government Administration and Elections	ClimateChange: Carbon;
CT H 6479	Climate Resiliency Funds and Projects	Joint Committee on Environment	Concerns climate resiliency funds and projects; authorizes the Treasurer to invest funds on behalf of municipalities that establish Coastal Resiliency Reserve Funds and to require the Department of Energy and Environmental Protection to maximize the state's receipt of federal funds for climate resiliency projects undertaken by the state and municipalities.	Passed 1st Committee	HOUSE	ClimateChange; ClimateChange;
CT H 6492	State Agency Climate Friendly Food Purchasing Plan	Mushinsky (D)	Establishes a state agency climate-friendly food purchasing plan; uses the state's procurement power to reduce dependence on foods with a high carbon footprint and discourage food production that degrades earth's resources and that promotes health.	Failed	Died	ClimateChange; ClimateChange;
CT S 214	Flood Mitigation and Resiliency for Climate Change	Gaston (D)	Concerns flood mitigation and resiliency for climate change; mitigates flooding and associated damage caused by climate change.	Failed	Died	ClimateChange; ClimateChange; ClimateChange; Mitigation;
CT S 669	Funds Generated From the Greenhouse Gas Reduction Fee	Sampson (R)	Concerns the use of funds generated from the greenhouse gas reduction fee; uses certain fees for the purpose of brownfield remediation.	Failed	Died	ClimateChange; ClimateChange; ClimateChange; GreenhouseGas;

CT S 997	Clean Energy Statutes	Joint Committee on Energy and Technology	Concerns revisions to the clean energy statutes; facilitates the procurement of projects under the state's renewable energy programs by authorizing joint procurement of such projects and permitting multiple solicitations per year, modify and clarify the rules of these programs and electric utilities' required purchases under the programs, and make conforming changes.	Failed	Died	ClimateChange; ClimateChange;
HI H 199	Zero Emission Vehicle Fleet Purchasing Assistance	Lowen (D)	Establishes a zero-emission vehicle fleet purchasing assistance program within the Hawaii State Energy Office to make financing tools and nonfinancial supports available to operators of light, medium, and heavy-duty vehicle fleets to facilitate these operators in transitioning their fleets to zero-emission vehicles; provides that the office shall work with the Department of Transportation to design strategies to implement the program.	Passed 1st Committee	House Consumer Protection and Commerce Committee	ClimateChange; ClimateChange; ClimateChange; GreenhouseGas;
HI H 1252	Electric Vehicles	Lowen (D)	Provides incentives for electric vehicle-ready new construction for affordable housing by providing rebates for eligible electric vehicle-ready parking stalls for new construction of affordable housing.	1st Fiscal Committee	House Finance Committee	ClimateChange: EV;
HI H 1315	State Facilities Renewable Energy	Kitagawa (D)	Requires state facilities to prepare a report assessing the feasibility of installing distributed energy resource systems at each facility; requires state facilities to implement and install the distributed energy resource systems detailed in the reports no later than five years from the issue date of the reports; gives priority for the required energy efficiency measures to first responder facilities.	1st Committee	In Multiple Committees	ClimateChange; ClimateChange; ClimateChange; GreenhouseGas;

HI S 368	Clean Ground Transportation	Lee C (D)	Establishes a zero emission vehicle fleet purchasing assistance program within the State Energy Office to support the transition of private fleets to zero emission vehicles; designates the State Energy Office as the agency responsible for developing and administering the program and requires the State Energy Office to work with the Department of Transportation to design strategies to implement the zero emission vehicle fleet purchasing assistance program.	1st Committee	In Multiple Committees	ClimateChange: EV;
HI S 1261	Renewable Energy	Gabbard (D)	Requires state facilities to prepare a report assessing the feasibility of installing distributed energy resource systems at each facility; requires state facilities to implement and install the distributed energy resource systems detailed in the reports no later than five years from the issue date of the reports; gives priority for the required energy efficiency measures to first responder facilities.	1st Fiscal Committee	Senate Ways and Means Committee	ClimateChange: ClimateChange;
HI S 1460	Electric Vehicle Ready Parking Stalls Rebates	Chang (D)	Provides rebates for eligible electric vehicle ready parking stalls for new construction of affordable housing; requires that electric vehicle ready parking for new construction be integrated as a criterion in the low income housing tax credit qualified allocation plan.	1st Committee	Senate Energy, Economic Development, and Tourism Committee	ClimateChange: EV;
IL H 2563	Power Agency Act	Vella (D)	Amends the Power Agency Act; provides that any contractor involved in programs and procurements for the construction of State-funded solar and utility-scale wind projects must have a certain percentage of the contractor's employees be residents of the state; provides that the contractor must also participate in a registered apprenticeship program approved by the federal Department of Labor.	1st Committee	House Rules Committee	ClimateChange: ClimateChange;

IL H 2857	Finance Authority Act	Spain (R)	Amends the Finance Authority Act; changes the definition of clean energy; amends the Power Agency Act; changes the definitions of clean energy, community renewable generation project, distributed renewable energy generation device, and renewable energy resources; provides that the long-term renewable resources procurement plan shall include the procurement of renewable energy credits from new projects in amounts equal to at least 10,000,000 renewable energy credits delivered annually.	1st Committee	House Rules Committee	ClimateChange: ClimateChange;
IL H 3445	Power Agency Act	Walsh (D)	Amends the Power Agency Act; in provisions concerning distributed renewable generation devices or photovoltaic community renewable generation projects installed at public schools, adds public institutions of higher education to the definition of public schools.	Passed 1st Chamber	Senate Education Committee	ClimateChange: ClimateChange;
IL S 193	Rust Belt to Green Belt Pilot Program Act	Peters (D)	Creates the Rust Belt to Green Belt Pilot Program Act; creates the Rust Belt to Green Belt Fund as a special fund in the state treasury and makes a conforming change in the State Finance Act; provides that the Fund shall be used by the Department of Commerce and Economic Opportunity to encourage and facilitate the employment of construction workforces located in underrepresented populations; provides that applicants that are applying for a new utility-scale offshore wind project with the Power Agency.	1st Committee	Senate Committee on Assignments Committee	ClimateChange: GreenhouseGas;
IL S 1556	Environmental Protection Act	Koehler (D)	Amends the Environmental Protection Act; provides that, to the extent allowed by federal law, the Environmental Protection Agency shall propose, within a specified months after the amendatory Act's effective date, and the Pollution Control Board shall adopt, within a specified months after receipt of the Agency's proposal, rules establishing a clean transportation standard to reduce carbon intensity from the on-road transportation sector by a specified percentage and on a specified date.	1st Committee	Senate Committee on Assignments Committee	ClimateChange: ClimateChange;

IL S 1588	Power Agency Act	Cunningham (D)	Amends the Power Agency Act; adds to the definition of brownfield site photovoltaic project, photovoltaics that meet the criteria that the project is interconnected to an electric utility, a municipal utility, a public utility as defined in the Public Utilities Act, or an electric cooperative as defined in the Public Utilities Act and is located on any part of the site, and within the property boundaries.	1st Committee	Senate Committee on Assignments Committee	ClimateChange: ClimateChange;
IL S 2421	Carbon Dioxide Transport and Storage Protections Act	Fine (D)	Creates the Carbon Dioxide Transport and Storage Protections Act; defines terms; provides that title to pore space belongs to and is vested in the surface owner of the overlying surface estate, a conveyance of title to a surface estate conveys title to the pore space in all strata underlying the surface estate, and title to pore space may not be severed from title to the surface estate.	1st Committee	Senate Committee on Assignments Committee	ClimateChange: Carbon;
LA H 571	Energy	Schexnayder (R)	Provides relative to carbon capture and sequestration.	1st Committee	House Natural Resources and Environment Committee	ClimateChange: Carbon; ClimateChange: GreenhouseGas;
MN H 413	Electric Vehicles	Stephenson (DFL)	Provides that a person that charges a privately owned electric vehicle at a charging station located within the Capitol area, must pay an electric service fee established by the Commissioner of Administration; provides that when purchasing a motor vehicle for the enterprise fleet or for use by an agency, the commissioner or the agency shall purchase the motor vehicle according to the specified vehicle preference order: appropriates money.
